Hopley Stock Farm Annual Sale of Scotch Shorthorns

53

1919

Sale Wednesday, April 30, 1918

On Farm Five Miles South of Atlantic
Hopley Stock Farm, Atlantic, Ia.

SOME OF THE VILLAGE BEAU HEIFERS FOR FUTURE DISPOSAL

One of the breed's greatest offerings

THOSE who are in attendance at this Annual Sale from the Hopley Stock Farm herd, will be impressed with the many outstanding qualities of the offering. It is a great collection of choice matrons with calves, an attractive line-up of heifers in calf, and promising young bulls.

There are 25 two-year-old heifers that are as good as one will care to see, and that are bred to Village Beau, the sire that has brought fame to this herd of Shorthorns. It will be difficult to match them in blood and quality, and it is seed stock whose importance cannot be too highly estimated. All through, the females are good. It is a collection that will find favor with men whose desire is to buy the best of the breed. They are to calve to the service of a bull whose reputation as a sire is becoming widely established. No bull of Villager ancestry is doing more for the breed. His record as a sire of the right kind will sustain the statement.

In bulls are three sons of Village Beau that are outstanding.

The writer has not seen their equal—they are rare prospects, they have that combination of blood and merit which insures a satisfactory development.

Plan to attend the auction and if you are fortunate enough to buy some of these Shorthorns you will have the best the breed can offer.

(Signed)

Terms and Conditions of Sale

Atlantic is on the main line of the C. R. I. & P. Railroad, 60 miles east of Omaha and 80 miles west of Des Moines. Good railroad connections both before and after the sale.

GUARANTEE

We believe all animals in the catalog to be breeders. Cows sold with calves at foot or showing safe in calf are considered breeders, and no further guarantee on same; but cows lately bred and open heifers must be producers, but on failure to breed may be returned to us at purchaser's expense, and should such animal fail to breed after six months' trial, an animal of equal value will be given in its place. Bulls are guaranteed breeders when properly cared for and not allowed to run with the herd. Should any fail to breed he must be returned to us, and if he fails to prove a breeder for us, another of equal value will be given in exchange. Complaints must be filed within six months from date of sale.

TERMS

Cash, but parties desiring time may have six months' time on approved notes bearing 8 per cent. interest. Will accept Liberty Bonds at market value.

CONDITIONS

All animals at buyer's risk as soon as bid off. All animals cared for and loaded on cars free of charge.

All cattle are tuberculin tested and health certificates as required for shipment will be furnished.
